

To Our Beloved Ledger Community,

The full-service restaurant industry continues to face hurdles that are making it difficult to go about day to day business. The cuts & mandates that govern the industry combined with the New England winter weather & rise in COVID cases inhibits our ability to offer full-service dining daily as the dining numbers are just not enough to sustain. We have decided to bring back Ledger Basket as many of you have expressed your desire for us to offer the basket again. Ledger Basket will be available Wed-Sunday for delivery & curbside pick-up. We have changed the format slightly and streamlined ordering so please visit our website for details. Ledger will also offer indoor dining on Friday & Saturday nights offering a 3-course set menu with seatings at 5:30 & 7:30 for those who still want to dine in with us. Chef Daniel will create a new menu weekly inspired by the season with a variety of options. Wines, cocktails & beer pairings will be offered & staff will be present to assist you to help make all your experiences at Ledger memorable. Additionally, we will offer an incredible Christmas Eve & Day menu available for pick-up on Christmas Eve. Please check us out, we won't disappoint.

I'm going to leave you with this folks, full-service restaurants are in jeopardy of shutting down & going away for good. We love what we do and we do it because we have a passion to please and excite, to take you on a trip away from reality even if just for a moment. We all know that vaccines are on the way & are hoping science will prevail. Winter in Salem is quiet during normal times, but we are not in normal times - it will be exceptionally quiet this winter. The fact is, without your continued support over the next few months, time may run out & the restaurants you love may not be around in the spring to celebrate "the other side". We have always been community driven; we love supporting the community we reside in & the dining relationships we have established. We want to be here forever. Help us by supporting Ledger Basket & dining with us on Fridays & Saturdays. Thank you from the bottom of my heart!

-Matt O'Neil
