

Celebrate spooky season in SALEM!

Historic tours, gorgeous fall foliage and a thrilling array of Halloween festivities make this Massachusetts town an October must-visit —SHAY TROTTER

Step back in time in Salem! Though the New England locale may be infamously known for the 1692 Salem Witch Trials, it has since blossomed into a welcoming autumn destination. It's now home to Salem Haunted Happenings, the largest Halloween festival in the world, which features street performers, costume parades, markets and so much more!

Begin at Count Orlok's Nightmare Gallery, a monster museum featuring some of the horror and sci-fi genres' most memorable characters. You'll catch a glimpse of vampires, zombies and werewolves through special effects and life-sized creations. Afterward, satisfy your appetite at the Dire Wolf Tavern with creative menu options like yucca fries and the Lone Wolf Smash burger.

As dusk approaches, embark on the 1692 Salem Night Walking Tour. A local historian will take you to more than a dozen spots while sharing witchy stories from around Salem.

Shop for unique souvenirs at The Lost Library

Sip cider flights at the Far from the Tree Cider taproom

TAKE A MINI VACATION *at home!*

Experience Salem during Halloween with a festive cocktail and an online tour of historic locations

Purple Potion

1 Tbs. sugar
1 tsp. purple decorating sugar
2 cups cranberry juice
½ cup gin
¼ cup limoncello
Purple food coloring

• Mix the two sugars; dip rims of 2 glasses in water, then in the sugar the mixture. In an ice-filled pitcher, combine cranberry juice, gin, limoncello and a few drops of food coloring. Pour into glasses. *Serves 2.*

Virtual Tour

Learn about the 17th century houses, gravesites and jails through the Salem Witch Trials Online Sites Tour. To see the historic locations, log on to SalemWitchMuseum.com/witch-trials-online-tour/.
